

IL GABBIANO

SPECIAL EVENTS

# Private Room

The private room is in the back of our main dining room separated by glass sliding doors that we close to make the space completely private. We will arrange tables according to your needs and the size of your group.

# Private Room

We can prepare one long rectangular table for up to twenty people.

# Private Room

For groups of over twenty people we can arrange three round tables of seven to ten seats—up to the space maximum capacity of thirty seats.

# Private Room

# Outdoor Patio

This partially secluded area of our patio is overlooking the waterfront on the Brickell's side, adjacent to the main patio where most regular dining takes place.

# Outdoor Patio

We can make similar arrangements as in the private room based on groups size. One long table for up to twenty seats, or two, three, four round tables of ten seats—up to forty guests.

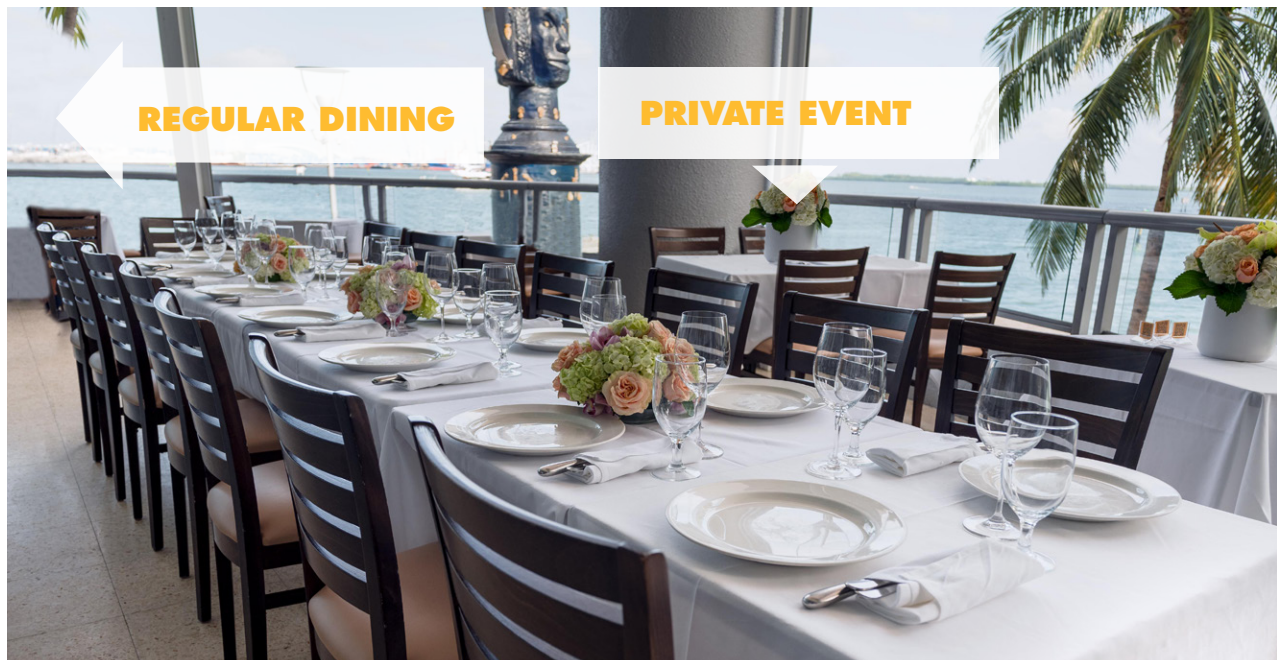

## FREQUENTLY ASKED QUESTIONS

# Where is the events terrace located?

The main dining terrace is facing the water East while private events are held on a South-facing part of the building. The two terraces are next to each other and some tables can be seen across but the different location offers enough privacy to feel in a separate place.
